**President's Report**

- A proposal was made at the POA meeting that a stop sign be placed at the exit from the clubhouse where it meets Stratford Drive. Ray met with Kevin Morgan. Both agreed that no sign is needed, but Kevin will trim the shrubbery there.
- Robert will contact Plantation Pool and set up a time for them to meet with Harry Holiday and Jack Thompson about the projected pool work.
- Ray appointed specific Directors to be contacts with the various committees as follows: Ray will be the BOD contact with the ACC and Safety & Security Committees, Wayne with Infrastructure and Beautification, Jim B with Welcome and Communication and Jim M with Social and Recreation.
- In the future, chairpersons of the Social and Beautification Committees will report directly to their BOD contacts rather than through Carole Beck.
- Ray has appointed Jim Sotis as chairman of the Safety & Security Committee. Discussion followed centered on a need for consultation with the entire BOD.
- The BOD will not release EP directories to outside sources.
- In incidents like the recent eggings, owners are encouraged to file complaints with the Sheriff's office.
- After discussion, Jim M moved (Jim B seconded) that after the chairs and tables at the pavilion have been put away for the winter months, owners may still request to take them out for party use there but may not take them to private homes. Motion passed unanimously.
- A letter pointing out the poor condition of much of the lake path will be referred to the Infrastructure Committee. It was noted that the Committee is already looking into the matter and also that Centex put in the path as an afterthought. Ray will respond to the letter writer.
- Ray will forward to the ACC the letter about boats in driveways.
- There is no solid information about the work being done opposite the EP entrance.
- There was discussion about the interpretation of the CC&Rs concerning payment to BOD members for work done for the Association that is not specifically Board-related. The matter was tabled until the next meeting.
