
Agenda item: Hargray Events

Discussion:

Committee members discussed the annual events catered by Hargray. It was decided that Grace, our Hargray Liaison, would be contacted concerning the events that we would like sponsored and the dates for these events. Members decided to ask for the following picnic days to be the responsibility of Hargray: July 4th, Labor Day, and possibly Memorial Day. The committee thought that we might ask for all 3 events. If Hargray will cater only 2, then the members prioritized the July 4th Picnic (July 4), and the Labor Day Picnic (September 5) for the top two.

Conclusions:

Grace from Hargray will be contacted concerning the picnics. We will schedule the dates with her in order to reserve our spot.
