

January 21, 2020

The welcome committee of Eagle's Pointe met for the yearly organizational gathering on January 21, 2020. Members present were Nancy McCamon, Kathy Smith, Pat Kaiser, Barb McHenry and Nancy Young. Jennifer Alexander has stepped down due to her joining the social committee. The remaining members made the decision not to replace her because 5 members is enough to do our jobs. Eagle's Pointe welcomed 21 new residents in 2019.

Currently, we give a small cloth bag with an Eagle's Pointe license plate, lanyard, and a welcome letter. We also take a home-baked treat and a plant or flower. Kathy Smith will look into a reusable grocery bag size to make the bag more useful. The letter will be updated as needed and shared with each committee member.

Pat Kaiser brought up the idea of having a new resident gathering previously and we revisited the possibility. A discussion was held and we did not come up to any conclusions. We will talk about it again at our next meeting.

When a new resident joins the Eagles' Pointe community, the committee is informed through an email from Bundy management. Sometimes, there is an email or a phone number. Sometimes not. Nancy M. will ask Kathy Bundy if it is possible to include this information according to privacy concerns. This will make it easier to contact the new resident to take our goodie bags.

There is no date scheduled for our next meeting.

Nancy McCamon, Chairperson
