

Sept. 13, 2021

Dear Residents,

At the September meeting of the Eagle's Pointe Board of Directors, the decision was made to keep the swimming pool open through the month of October. Thus, the pool will remain open through Sunday, October 31st, closing for the season effective at 8:00 PM that evening.

We hope the weather continues to cooperate so that all can enjoy this great amenity. The anticipated re-opening is expected on April 1, 2022.
